

See your band's performance on DVD!

There are two options. Either order the Highlights DVD, which will include the complete performance by the winning band, plus one hour of highlights featuring all other bands, or order one of the Specials. Each special disc will include the full performance by your selected band, the winning band's performance and reduced highlights.

This will be an ideal memento of the day for those performing in and supporting bands, and will be a fantastic present for relatives and friends who couldn't be there!
